**Notice of Revisions to Prices for Wheat Flour and Processed Wheat Flour
Products for Household Use**

Nippon Flour Mills Co. Ltd. (Chairman, President, CEO&COO: Hiroshi Sawada) will be revising its prices for processed wheat flour products and household wheat flour starting with shipments on January 4, 2010.

The prices Japanese millers pay to the government for foreign-grown wheat were reduced as of October this year. As a result, the prices for household wheat flour and household pre-prepared mix products will be revised as outlined below.

Details

Price Revisions

Main products affected and rate of decrease in recommended retail price

| | |
|---|------------|
| (1) Household wheat flour | Average 4% |
| (2) Household pre-prepared mix products | Average 2% |

Date of Implementation

Effective on shipments from Monday January 4, 2010
