Notice of Revision of Wheat Flour Prices

Nippon Flour Mills Co. Ltd. (President: Wataru Aosaki) today announced to distributors that it is revising prices for commercial wheat flour as a result of factors such as an average decline of 14.8% in the prices Japanese millers pay to the government for five brands effective as of April 1, 2009. Details are as follows.

Details

1. Price Revisions

- Commercial strong and semi-strong flour Down 355 yen per 25kg
- Commercial medium-strength and weak flour Down 240 yen per 25kg

Note: The above price revisions do not include consumption tax.

2. Date of Implementation

Effective on shipments from Friday May 15, 2009 onwards
